

Tiffany Broussard is the new Assistant Maintenance Supervisor at the Youngsville Sports Complex, where she helps to organize the up keep of our facility and maintenance staff. She graduated from the University of Louisiana at Lafayette with a bachelor degree in Science. After Graduation she became a teacher in Vermillion parish for several years. Then she began working in the Oil Industry for Haliburton as a Tool Specialist. She enjoys listening to Cajun and zydeco music because it reminds her of the great culture we live in. She is excited to serve the City of Youngsville in her new role and looks forward to making an impact at our facility.
