**BYLAWS**

**1. RULES AND REGULATIONS**

Official Pony Girls Softball Rules and Regulations shall govern league play except where amended by the Youngsville Recreational Sports Programs.

**2. DISCIPLINARY ACTION**

The Youngsville Recreational Sports Programs shall reserve the right to withdraw privileges from any player, umpire, fan or adult volunteer whose conduct, on or off the playing field, reflects in a manner that is detrimental to the best interest of the Youngsville Recreational Sports Programs and the youth of the City of Youngsville. The reputation of PONY in our community can be drastically injured by the actions of one or more of a small group of persons, on or off the playing field. A player, parent, manager, coach, fan, umpire and league official all bear the responsibility of upholding the good name of the program. Public quarreling and bickering, whether over playing field situations or league administrative problems, only serve to weaken the entire organization in the community. This is a youth program designed to benefit young people. Much of the benefit they derive from stems from the example set by the adult leaders. Be sure it is a good example.

It is mandatory if a player, parent, manager, fan, head coach, assistant coach, umpire, league official or volunteer are thrown out of the game; you must serve a one game suspension. The coach must serve his/her one game suspension away from the ball park. During his/her suspension game the coach cannot be at the ball park which includes: field, dugout, parking lot, stands, etc. Any suspended coach violating this rule will be dismissed from the league for the remainder of the current year with a possibility of being barred from future participation in the league, permanently, or for a specific number of years. If a suspended coach is a coach in another league he/she will not be allowed to coach or be at the Youngsville Sports Complex for their other game until the one game suspension has been served. If you are thrown out of two games in the same calendar year, you will be barred from future participation in the league. All head coaches are responsible for the conduct of their assistant coaches and fans. The actions of an assistant coach are a gross reflection of a head coach's inability to control his team and the head coach will be held responsible. All coaches will be issued an Official Pony League Softball rulebook.

The following will be adopted by the league as a guide for the handling of player or adult discipline problems:

- A. The Director shall have the authority to suspend, discharge or otherwise discipline any player, manager, coach, umpire, fan league officer or other person whose conduct is in violation of the Rules and Regulations of PONY Softball and the league and/or is considered detrimental to the best interests for the league.
  - (1) Persons subject to such discipline shall have the right to a hearing before the Director before such discipline is imposed.
  - (2) In the event of discipline procedures involving a player, or other person under the age of 18, that person's parents shall be invited to attend the hearing with the person concerned.
- B. Persons, youth or adult, who refuse to comply with the rules of Softball, PONY softball, or the League, may be considered for disciplinary action.
- C. Recognizing the difficulty of establishing specific penalties for a variety of violations of acceptable conduct, the following penalties are suggested. The Director may impose the one which, in his opinion, appears to match the severity of the offense.
  - (1) Warning. The offending person is to be advised, in writing, of the offense, and further advised that repetition of the offense will result in a more severe penalty.
  - (2) Suspension. The offending person is to be advised in writing that he or she has been suspended from all league activity for a specific number of games, or days.
  - (3) Dismissal. The offending person is to be advised in writing that he or she has been dismissed from the league for the remainder of the current year.
  - (4) Barred. The offending person is to be advised in writing that he or she has been barred from present and future participation in the league, permanently, or for a specific number of years.

Any player, coach, or fan ejected from a game for any reason must leave the premises within one minute after being ejected. Failure to leave the premises within one minute after being ejected will result in a forfeiture of the game. Failure to leave the premises will result in the dismissal of the player, coach, or fan for the remainder of the current year, with a possibility of being barred from future participation in the league permanently, or for a specific number.

Cursing and undue or continuous baiting of any official is unsportsmanlike conduct and is cause to eject any player, coach, or fan from a game.

### **3. TEAMS (AGE)**

Age, for the league purposes, means “league age,” which is that age attained by a player on January 1 of the season in question.

### **4. SELECTION OF COACHES**

All head coaches will be selected yearly by the director. An assistant coach will not automatically become the head coach the following year. All coaching selections whether head or assistant must be re-appointed and approved each year.

### **5. PLAYING FIELDS**

Distance between bases: 60 Feet

Pitching distance: 40 Feet

### **6. EQUIPMENT**

A 12’ optic yellow pony stamped softball will be used.

An official bat shall be marked “OFFICIAL SOFTBALL” by the manufacturer. If the words, “OFFICIAL SOFTBALL” cannot be read due to wear and tear on the bat, the bat should be declared legal if it is legal in all other aspects.

Metal cleated baseball shoes will **not** be allowed. Rubber soled or rubber cleated shoes are permitted.

No jewelry shall be worn by any player, except for medical identification.

### **7. PLAYING RULES**

When the baserunner fails to keep contact with the base to which she is entitled until the ball leaves the pitcher's hand the baserunner will be called out.

Base runners are entitled to advance with liability to be put out on the pitcher's delivery, when the ball leaves the pitcher's hand.

When the catcher fails to catch the third strike before the ball touches the ground when there are less than two outs and first base is unoccupied or any time there are two outs. This is called the third strike rule. The ball is in play and the batter becomes a batter-base runner with liability to be put out.

Ten players will be used defensively. Four in the outfield.

Each player on the team must play in at least two consecutive innings. Substitutes must go in the game in the third inning.

Free substitution will be allowed in all games. But **no player may bat in more than one position in the batting lineup**. All players bat in rotation

- A. A player's defensive fielding position may be changed at any time during a game, but **no player may bat in more than one position in the batting lineup**.
- B. A pitcher that is removed from the pitching duties in the game by either the coach or umpire may return to the mound one time. A relief pitcher once removed from the mound cannot return to the mound.

The side will be retired after three outs or when five runs have been scored in one-half inning.

EXCEPTION: The last inning a team may score as many runs as they can before three outs (open inning). **In a seven-inning game, only the seventh inning can be considered the open inning.**

#### **REQUIRED NUMBER OF PLAYERS:**

A team failing to field at least eight uniformed players within 15 minutes after scheduled starting time of a game, or at any time during the game, shall forfeit the game. If a team starts a game with eight players, the ninth batting position will be declared an out. If the ninth player arrives after the game has started, she will be inserted into the batting order in the ninth batting position. In order for the ninth player to be eligible she has to be on the line up sheet at the start of the game.

If a play is close coaches must instruct their players to slide. If a player does not slide the runner may be called out. Coaches will not instruct players to intentionally run over another player.

A **FOUL TIP** is a batted ball that goes short and directly from the bat to the catcher's hands and is legally caught. It is not a foul tip unless caught and any foul tip that is caught is a strike, and the ball is in play.

#### **BATTING OUT OF TURN:**

- A. A batter shall be called out, on appeal, when she fails to bat in her proper turn, and another batter completes a time at bat in her place.

- B. The proper batter may take her place in the batter's box at any time before the improper batter becomes a runner or is put out, and any balls and strikes shall be counted in the proper batter's time at bat.
- C. When an improper batter becomes a runner, or is put out, and the defensive team appeals to the umpire before the first pitch to the next batter or either team, or before any play or attempted play, the umpire shall:
  - 1. Declare the proper batter out; and
  - 2. Nullify any advance or score made because of a ball batted by the improper batter or because of the improper batters advance to first base on  
A hit, an error, a base on balls, a hit batter or otherwise.

NOTE: If a runner advances, while the improper batter is a bat, on a stolen base, balk, wild pitch or passed ball, such advance is legal.

- D. When an improper batter becomes a runner, or is put out, and a pitch is made to the next batter or either team before an appeal is made, the improper batter thereby becomes the proper batter, and the results of his time at bat becomes legal.
- E. When the proper batter is called out because she has failed to bat in turn the next batter shall be the batter whose name follows that of the proper batter thus called out.
- F. When an improper batter becomes a proper batter because no appeal is made before the next pitch, the next batter shall be the batter whose name follows that of such legalized improper batter. The instant an improper batter's actions as legalized, the batting order picks up with the name following that of the legalized improper batter.

NOTE:

- 1. The umpire shall not direct to attention of any person to the presence in the batter's box of an improper batter. This rule is designed to require constant vigilance by the players and coaches of both teams.
- 2. The official scorer should notify the coach concerned if any ineligible player or and improper batter is about to be used in the game, but the failure of the scorer to do so has no affect upon the rules.

## 8. PITCHING RULES

Before starting the delivery (pitch), the pitcher shall comply with the following:

- A. She shall take a position with her pivot foot on the pitcher's plate and non-pivot foot on or behind the pitcher's plate. Both feet must be on the ground within the twenty-four-inch length of the pitcher's plate. Her shoulders shall be in line with first and third bases. The hands shall be separated. The ball can be in the glove or pitching hand.
- B. While in the position described in "A" above, she shall take the signal from the catcher.
- C. After completing "B" above, she shall hold the ball in both hands for not less than one second and not more than ten seconds before releasing the ball.
- D. The pitcher shall not be considered in pitching position unless the catcher is in position to receive the pitch.
- E. The pitcher may not take the pitching position on or near the pitcher's plate without having the ball in her possession.
- F. The pitch starts when one hand is taken off the ball or the pitcher makes any motion that is part of the windup after the hands have been brought together.
- G. Once the hands are brought together, the pitcher shall not take more than one step, which must be forward, toward the batter and simultaneous with the delivery of the ball to the batter.
- H. The pivot foot may remain in contact with or may push off and drag away from the pitching plate prior to the front foot touching the ground, as long as the pivot foot remains in contact with the ground. Pushing off with the pivot foot from a place other than the pitchers plate is illegal.
- I. It is not a step if the pitcher slides her foot across the pitcher's plate, provided contact is maintained with the pitcher's plate.
- J. The pitcher shall not deliberately drop, role or bounce the ball while in the pitching position in order to prevent the batter from striking it.
- K. The pitcher shall not, at any time during a game, be allowed to use tape or any other foreign substances upon the ball, the pitching hand or fingers nor shall any other player apply a foreign substance to the ball.
- L. Under the supervision and control of the umpire, powdered resin may be used to dry the hands. The pitcher shall not wear a sweat band, bracelet or similar type item on the wrist or forearm of the pitching arm.

- O. The pitcher shall not throw to a base during a live ball while her foot is in contact with the pitcher's plate after she has taken the pitchers position.

- P. There shall be only one charged conference between the coach or other team representative from the dugout with each and every pitcher in an inning. The second charged conference shall result in the removal of the pitcher from the pitching position for the remainder of game.
- Q. If the ball slips from the pitcher's hand during her windup or during the back swing, the ball will be in play and the runners may advance at their own risk.
- R. Any player serving as a catcher to warm up a pitcher shall wear a mask, helmet and throat protector whether the pitcher is warming up from the mound, in the bullpen or elsewhere.

As soon as a pitcher delivers one pitch to a batter the pitcher shall be considered as having pitched in one inning.

If a relief pitcher comes in "cold" the umpire shall allow the pitcher to warm up properly with at least ten warm-up pitches.

The pitcher named in the batting order turned in prior to the start of the game shall pitch to the first batter, or any substitute batter until such batter is put out or reaches first base, unless the pitcher sustains injury or illness which in the judgment of the umpire-in-chief, incapacitates her from pitching.

## **9. LENGTH OF GAMES**

**TIME LIMIT:** We will play seven innings with a ten-run rule after five innings. No new inning may be started under five minutes of the one hour and thirty-minute time limit. Any innings started before time limit must be finished before game is called off. (A new inning starts as soon as the current innings ends, this will prevent unnecessary delays by a team attempting to end a game prematurely).

**5 MINUTE RULE:** Any game delayed for more than 5 minutes due to player injury, field equipment problems, or other unusual problems, shall have time limit extended by the amount of time delay which exceeded 5 minutes. (Example: If a dislodged base takes 14 minutes to repair, then  $14-5=9$  minutes would be added to the game time limit.

Fast Pitch League games shall be seven innings in duration. When a game is tied at the end of regulation length, extra innings may be played until time limit expires. If after time limit the game is still a tie it shall remain a tie.

## **19. EJECTION RULE:**

Any coach ejected for **any** reason during the League Season will **not** be eligible to coach the All-Star Team.

## **20. COACHES, JUST LET THE KIDS PLAY:**

When you organize a youth sports program, when you sign up your child, or when you watch him or her at practices or at games, continually ask yourself a question: Is this program, practice or game primarily serving the needs of the children in this age group-all the children-or is it primarily serving the needs of the adults? Your answer to that question will guide you toward making good choices in the best interest of your children.

If winning is not the children's top priority-and they have told us time and again that it is not-then making choices about which children play and which children do not play based on how best to win the most games does not serve primarily the children's wants. It serves primarily the adults' wants.

Kids want to have fun-that is their top priority. If all the drills, all the yelling and screaming from the sidelines and the pressure-packed schedules ruin the fun, the adults have missed the mark.

Kids want to play. They don't want to sit and watch other kids play or watch adults coach. If you are making choices that keep kids on the bench, you are making choices that do not serve the wants, the needs and the rights of all the children, rather than just a select few.

Kids deserve the chance to succeed. If you are intent on identifying "talent" at an early age, selecting elite teams and discouraging those who are cut, you are damaging what is every child's right to have a chance to succeed. You are doing it for no good reason because until children are more fully developed, their "talent" should not be and cannot be accurately evaluated.

Kids learn best by doing, not just by listening, and they learn by being spontaneous, creative and by taking chances. Thus, practices and games do not serve children's needs if they discourage those natural instincts and create fears about making mistakes.

Kids need time to relax, time for their bodies to recharge, time for their minds to wander. Kids need to daydream now and then. They need a day off. If their youth sports schedules overexert their bodies, overtax their energies and rob them of their free time, those schedules are not meeting children's needs. You see the point. You see the pattern. So much of what adults create in the name of youth sports violate the very nature of being a child, the natural wants and need of children.

So please adhere to the Youngsville Recreational Sports Programs philosophy
