

BRONCO LEAGUE

(11-12 year old boys)

BYLAWS

1. RULES AND REGULATIONS

Official Pony Baseball Rules and Regulations and Official Rules of Major League Baseball shall govern league play except where amended by the Youngsville Recreational Sports Programs.

2. DISCIPLINARY ACTION

The Youngsville Recreational Sports Programs shall reserve the right to withdraw privileges from any player, umpire, fan or adult volunteer whose conduct, on or off the playing field, reflects in a manner that is detrimental to the best interest of the Youngsville Recreational Sports Programs and the youth of the City of Youngsville. The reputation of PONY in our community can be drastically injured by the actions of one or more of a small group of persons, on or off the playing field. A player, parent, manager, coach, fan, umpire and league official all bear the responsibility of upholding the good name of the program. Public quarreling and bickering, whether over playing field situations or league administrative problems, only serve to weaken the entire organization in the community. This is a youth program designed to benefit young people. Much of the benefit they derive from stems from the example set by the adult leaders. Be sure it is a good example.

It is mandatory if a player, parent, manager, fan, head coach, assistant coach, umpire, league official or volunteer are thrown out of the game; you must serve a one game suspension. The coach must serve his/her one game suspension away from the ball park. During his/her suspension game the coach cannot be at the ball park which includes: field, dugout, parking lot, stands, etc. Any suspended coach violating this rule will be dismissed from the league for the remainder of the current year with a possibility of being barred from future participation in the league, permanently, or for a specific number of years. If a suspended coach is a coach in another league he/she will not be allowed to coach or be at the Youngsville Sports Complex for their other game until the one game suspension has been served. If you are thrown out of two games in the same calendar year, you will be barred from future participation in the league. All head coaches are responsible for the conduct of their assistant coaches and fans. The actions of an assistant coach are a gross reflection of a head coach's inability to control his team and the head coach will be held responsible. All coaches will be issued an Official Pony League rulebook. A copy of Sporting News Official Rules will be kept at both concessions stands for use by all leagues.

The following will be adopted by the league as a guide for the handling of player or adult discipline problems:

- A. The Director shall have the authority to suspend, discharge or otherwise discipline any player, manager, coach, umpire, fan league officer or other person whose conduct is in violation of the Rules and Regulations of PONY Baseball and the league and/or is considered detrimental to the best interests for the league.
 - (1) Persons subject to such discipline shall have the right to a hearing before the Director before such discipline is imposed.
 - (2) In the event of discipline procedures involving a player, or other person under the age of 18, that person's parents shall be invited to attend the hearing with the person concerned.
- B. Persons, youth or adult, who refuse to comply with the rules of Baseball, PONY baseball, or the League, may be considered for disciplinary action.
- C. Recognizing the difficulty of establishing specific penalties for a variety of violations of acceptable conduct, the following penalties are suggested. The Director may impose the one which, in his opinion, appears to match the severity of the offense.
 - (1) Warning. The offending person is to be advised, in writing, of the offense, and further advised that repetition of the offense will result in a more severe penalty.
 - (2) Suspension. The offending person is to be advised in writing that he or she has been suspended from all league activity for a specific number of games, or days.
 - (3) Dismissal. The offending person is to be advised in writing that he or she has been dismissed from the league for the remainder of the current year.
 - (4) Barred. The offending person is to be advised in writing that he or she has been barred from present and future participation in the league, permanently, or for a specific number of years.

Any player, coach, or fan ejected from a game for any reason must leave the premises within one minute after being ejected. Failure to leave the premises within one minute after being ejected will result in a forfeiture of the game. Failure to leave the premises will result in the dismissal of the player, coach, or fan for the remainder of the current year, with a possibility of being barred from future participation in the league permanently, or for a specific number of years.

Cursing and undue or continuous baiting of any official is unsportsmanlike conduct and is cause to eject any player, coach, or fan from a game.

3. TEAMS (AGE)

Age, for the league purposes, means "league age," which is that age attained by a player on or before August 31.

4. SELECTION OF COACHES

All head coaches will be selected yearly by the director. An assistant coach will not automatically become the head coach the following year. All coaching selections whether head or assistant must be re-appointed and approved each year.

5. PLAYING FIELDS

Distance between bases: 70 Feet

Pitching distance: 50 Feet

6. EQUIPMENT

All players must wear their shirts tucked in the pants. Hats must be worn properly with the brim in the front.

Metal cleated baseball shoes will NOT be allowed. Rubber soled or rubber cleated shoes are permitted.

No jewelry shall be worn by any player, except for medical identification.

It is **mandatory** that catchers wear a cup-type athletic supporter.

7. PLAYING RULES

Each player on the team must play in at least two consecutive innings. Substitutes must go in the game in the third inning.

Free substitution will be allowed in all games. But no player may bat in more than one position in the batting lineup. **All players bat in rotation.**

A pitcher that is removed from the pitching duties in the game by either the coach or umpire may not return to the mound to pitch at some later time in the same game. The removed pitcher may play at some other fielding position, however.

The side will be retired after three outs or when five runs have been scored in one-half inning.

EXCEPTION: The last inning a team may score as many runs as they can before three outs (open inning). **In a seven-inning game, only the seventh inning can be considered the open inning.**

REQUIRED NUMBER OF PLAYERS:

A team failing to field at least eight uniformed players within 15 minutes after scheduled starting time of a game, or at any time during the game, shall forfeit the game. If a team has only eight players present, a game may begin, but an automatic out will be recorded each and every time the batting rotation reaches the 9th position in the batting order. If a team cannot field more than 7 players after 15 minutes past the start time of the game it shall be a forfeited game.

If a play is close coaches must instruct their players to slide. If a player does not slide the runner may be called out. Coaches will not instruct players to intentionally run over another player.

A FOUL TIP is a batted ball that goes short and direct from the bat to the catcher's hands and is legally caught. It is not a foul tip unless caught and any foul tip that is caught is a strike, and the ball is in play.

BATTING OUT OF TURN:

- A. A batter shall be called out, on appeal, when he fails to bat in his proper turn, and another batter completes a time at bat in his place.
- B. The proper batter may take his place in the batter's box at any time before the improper batter becomes a runner or is put out, and any balls and strikes shall be counted in the proper batters time at bat.
- C. When an improper batter become a runner, or is put out, and the defensive team appeals to the umpire before the first pitch to the next batter or either team, or before any play or attempted play, the umpire shall:
 1. Declare the proper batter out; and
 2. Nullify any advance or score made because of a ball batted by the improper batter or because of the improper batters advance to first base on
A hit, an error, a base on balls, a hit batter or otherwise.

NOTE: If a runner advances, while the improper batter is a bat, on a stolen base, balk, wild pitch or passed ball, such advance is legal.

- D. When an improper batter becomes a runner, or is put out, and a pitch is made to the next batter or either team before an appeal is made, the improper batter thereby becomes the proper batter, and the results of his time at bat becomes legal.
- E. When the proper batter is called out because he has failed to bat in turn the next batter shall be the batter whose name follows that of the proper batter thus called out.
- F. When an improper batter becomes a proper batter because no appeal is made before the next pitch, the next batter shall be the batter whose name follows that of such legalized improper batter. The instant an improper batter's actions are legalized, the batting order picks up with the name following that of the legalized improper batter.

NOTE:

1. The umpire shall not direct the attention of any person to the presence in the batter's box of an improper batter. This rule is designed to require constant vigilance by the players and coaches of both teams.
2. The official scorer should notify the coach concerned if any ineligible player or an improper batter is about to be used in the game, but the failure of the scorer to do so has no affect upon the rules.

8. PITCHING RULES

BRONCO pitchers shall not pitch in more than seven innings on the same calendar day.

When pitching in more than one game on the same calendar day, pitchers may pitch any combination of 7 innings in those games provided they do not exceed the above maximum number of innings in a calendar day.

BRONCO pitchers shall not be allowed to pitch more than ten innings in any calendar week.

Pitchers shall have at least 40 hours' rest after pitching on the same calendar day in four or more innings.

The 40 hours' rest rule is computed from the scheduled starting time of the game in which the pitching occurred, or, in games which begin more than two hours after the scheduled starting time, the actual starting time of the game shall be used to interpret this rule.

As soon as a pitcher delivers one pitch to a batter the pitcher shall be considered as having pitched in one inning.

Any pitcher withdrawn from the mound and/or lineup, or a pitcher, who is withdrawn from the mound and stays in the game at another position, shall not be permitted to pitch again in the same game.

If a relief pitcher comes in "cold" the umpire shall allow the pitcher to warm up properly with at least ten warm-up pitches.

The pitcher named in the batting order turned in prior to the start of the game shall pitch to the first batter, or any substitute batter until such batter is put out or reaches first base, unless the pitcher sustains injury or illness which in the judgment of the umpire-in-chief, incapacitates him from pitching.

9. LENGTH OF GAMES

TIME LIMIT: We will play seven innings with a ten-run rule after five innings. No new inning may be started under five minutes of the one hour and thirty-minute time limit. Any innings started before time limit must be finished before game is called off. (A new inning starts as soon as the current innings ends, this will prevent unnecessary delays by a team attempting to end a game prematurely).

5 MINUTE RULE: Any game delayed for more than 5 minutes due to player injury, field equipment problems, or other unusual problems, shall have time limited extended by the amount of time delay which exceeded 5 minutes. (Example: If a dislodged base takes 14 minutes to repair, then $14-5=9$ minutes would be added to the game time limit.

BRONCO League games shall be seven innings in duration. When a game is tied at the end of regulation length, extra innings may be played until time limit expires. If after time limit the game is still a tie it shall remain a tie.

COMPLETE GAME: If a game is called for any reason, it shall be a complete game if five innings have been completed, or if the home team has scored more runs in four innings or four and a fraction innings, than the visiting team has scored in five completed innings.

10 RUN RULE: If a team is leading an opponent by at least 10 runs after five or more complete innings have been played or after four and one half innings if the home team should have a 10-run lead at the end of its fourth inning, or before the completion of its fifth inning, the game shall be terminated and the team in the lead shall be declared the winner.

10. SCHEDULE

Scheduling and rescheduling of games shall be the responsibility of the league director.

MAKE-UP GAMES: Every attempt will be made to make-up all scheduled games.

11. UMPIRES

Assignment of umpires shall be the responsibility of the league. At any time, the umpires assigned by the league fail to report, or are otherwise unavailable, any other umpires used in that game shall be agreed upon by the opposing managers, preferably in writing.

The use of tobacco in any form by umpires, coaches or players on the field is prohibited.

12. SCOREKEEPERS

SCORE KEEPING: The home team must provide the score keeper, however, each team should keep their own score for personal records.

The official scorer **should** notify the coach concerned if an ineligible player or an improper batter is about to be used in the game, but the failure of the scorer to do so has no affect upon the rules.

13. MANAGERS AND COACHES

A coach wishing to consult with an umpire shall request time out and approach the umpire in a gentlemanly manner. If this procedure is followed the umpire is required to answer all questions. Managers have a one-minute period in which to discuss a rule interpretation.

Ball and strikes are **not** to be discussed.

Each team will pick up trash on their side of the field after each game.

Teams and coaches are **required** to congratulate each other on the field after each game.

If a manager or coach goes onto the playing field to talk to any player or players more than once in a half inning, while the same player is pitching, a pitching change shall be made. The only exceptions to this rule shall be in case of injury, or if time is called by the opposing team or by an umpire.

Umpires shall not permit more than one offensive time out in each inning to allow a manager or coach to talk with a batter.

The use of tobacco, alcohol or illegal drugs in any form by players or adult leaders in the dugout, on the benches or on the playing field shall not be permitted.

14. PENALTIES

Players who intentionally, in the judgment of the umpire, throw bats or protective headgear, or discard protective headgear while batting or running the bases, shall be ejected from the game following completion of any play in progress at the time the violation occurs. Such action does not constitute an out and such players shall be replaced as batters or base runners if appropriate.

Penalty for use of illegal players shall be forfeiture of games in which illegal players participated, provided such games are protested by any of the league coaches or league presidents in writing within forty-eight hours of the game or games in question.

15. PROTESTS

All umpire decisions and judgements will be final and no protest will be allowed. All games will be final.

League coaches will not be involved in the independent tryouts.

League coaches will complete a ballot that will include their recommended All-Star teams in their league. League coach's ballots will help provide support for players who are not able to attend the tryouts or may have a bad day at the tryouts. League coach's ballots and independent tryout ballots will be compiled by YSC, and final All-Star teams will be selected by YSC.

SELECTION OF COACH:

The procedure for selecting the all-star team head coach shall be as follows:

2. Baseball knowledge
3. Coaching ability
4. League standing

19. EJECTION RULE:

Any coach ejected for **any** reason during the League Season will **not** be eligible to coach the All-Star Team.

20. COACHES, JUST LET THE KIDS PLAY:

When you organize a youth sports program, when you sign up your child, or when you watch him or her at practices or at games, continually ask yourself a question: Is this program, practice or game primarily serving the needs of the children in this age group-all the children-or is it primarily serving the needs of the adults? Your answer to that question will guide you toward making good choices in the best interest of your children.

If winning is not the children's top priority-and they have told us time and again that it is not-then making choices about which children play and which children do not play based on how best to win the most games does not serve primarily the children's wants. It serves primarily the adults' wants.

Kids want to have fun-that is their top priority. If all the drills, all the yelling and screaming from the sidelines and the pressure-packed schedules ruin the fun, the adults have missed the mark.

Kids want to play. They don't want to sit and watch other kids play or watch adults coach. If you are making choices that keep kids on the bench, you are making choices that do not serve the wants, the needs and the rights of all the children, rather than just a select few.

Kids deserve the chance to succeed. If you are intent on identifying “talent” at an early age, selecting elite teams and discouraging those who are cut, you are damaging what is every child’s right to have a chance to succeed. You are doing it for no good reason because until children are more fully developed, their “talent” should not be and cannot be accurately evaluated.

Kids learn best by doing, not just by listening, and they learn by being spontaneous, creative and by taking chances. Thus, practices and games do not serve children’s needs if they discourage those natural instincts and create fears about making mistakes.

Kids need time to relax, time for their bodies to recharge, time for their minds to wander. Kids need to daydream now and then. They need a day off. If their youth sports schedules overexert their bodies, overtax their energies and rob them of their free time, those schedules are not meeting children’s needs. You see the point. You see the pattern. So much of what adults create in the name of youth sports violate the very nature of being a child, the natural wants and need of children.

So please adhere to the Youngsville Recreational Sports Programs philosophy

JUST LET THE KIDS PLAY!
